COURSE I: This unique course offers practical training in essential vibrational methods of testing & correction for people and locations. Techniques and tools include methods from European and Egyptian sources. This course is a perfect foundation for anyone who is relatively new to vibrational methods of working; this training will also be very helpful for anyone seeking to review the essential techniques of Vibrational Dowsing.

- * How to *Focus Attention at Different Energy Centers* to Improve Vibrational Dowsing
- * *How to Test the “Personal Wavelength”* of any Person, Animal, or Plant (and use this technique to determine what is beneficial or detrimental to them)
- * *How to Analyze the Specific Vibrational Qualities* of any Person, Location, or Object (testing the 12 Bands in the Vibrational Spectrum)
- * How to *Tell Beneficial Vibrations apart from Harmful Vibrations*
- * How to Test and Manifest the *3 Vibrations which Balance all Living Energy Systems* (the 3 Centering Energies)
- * How to Use *French, Egyptian, and American Vibrational Tools*
- * *The French Method of “Medical Radiesthesia”* to determine imbalances anywhere in the Body or Energy Field (and how to find what will correct the problem)
- * Practical Applications of *“Sacred Geometry” Forms*

COURSE II: This course is for those who already have practical training in vibrational dowsing methods, or for anyone who attended COURSE I listed above. This unique course includes both practical methods and an exploration of rarely discussed “deep waters” of advanced techniques.

TOPICS INCLUDE:

- * *Creating a Beneficial Energy Grid:* How to Link together Vibrational Corrections in a Home, Neighborhood, or City.
- * *The Secret of the “144”:* Practical Use and Spiritual Dimensions of the 12 Vibrational Bands & 144 Life Energy Qualities (including practical tools to access all 144 Energies.)
- * *Unifying Scientific testing (EMF meters etc.) with Vibrational testing & corrections.*
- * Testing the *Vibrational Trail of Spiritual Beings* and their hidden influences on us.
- * Common *Mistakes in the use of Thoughtforms & “Intent”* (and how to avoid them.)
- * Key Methods to use in the *Vibrational balancing of Toronto* or other cities.
- * Why it is Critical to *Test on multiple Planes of Nature* (and how to do it using Rosicrucian, Egyptian, and Vibrational Imprint methods.)

- * Creating *Custom Vibrational Formulas*.
- * *Combining Mental & Vibrational Dowsing* Methods into a more powerful system.
- * Using *Vibrational Design Methods* vs. Correcting existing buildings.
